

MISSIONAL ENDEAVOUR GRANTS

WHAT ARE MISSIONAL ENDEAVOURS?

Missional Endeavours are church initiatives that bring people closer to Christ and add to the church.

CCNZ's intention is to have Missional Endeavours happening in every church within our movement of churches. These can be expressed in many different forms and styles but will all have the common theme of raising the God awareness in people who don't yet know Jesus and call him Lord.

WHEN PLANNING A MISSIONAL ENDEAVOUR ASK YOURSELF...

- *Is the heart of this Endeavour to bring people into the Kingdom of God?*
- *How is the Gospel part of it?*

CCNZ is dedicated to seeing the gospel impact each community within New Zealand and to help our people who are in great need of an encounter with the living God. To encourage this to happen more the NLT and the CEPTB has put together a fund that will give increased incentive and assistance to allow our churches to make this possible.

WE ARE OFFERING THIRTY \$500 GRANTS ANNUALLY. Below are the conditions and criteria that must be met to allow churches to be eligible for the available grants.

The \$500 grant must go into your building maintenance fund (to meet CEPTB conditions) then the equivalent money from this fund can be released and put towards your Missional Endeavour. You must send copies of receipts for maintenance work undertaken with your grant application.

Your properties must have titles registered with CEPTB, and have receipts for \$500 maintenance work on your buildings to claim the grant.

The deadline for applications has been extended this year and must be received by the National Office by 12th August 2011.

Your application needs to show that your new Missional Endeavour is up and running along with a full description of what you are undertaking and the expected outcomes.

Each new Missional Endeavour is eligible and there is no limit per church.

The potential to impact New Zealand through new Missional Endeavours is huge and we are looking forward to hearing your stories of advancement into your mission field of New Zealand.

REMEMBER ... APPLICATIONS MUST BE WITH THE NATIONAL OFFICE BY FRIDAY 12TH AUGUST 2011 TO BE ELIGIBLE.
